

SCOTTVILLE PRIMARY NEWSLETTER TERM 2 2019

Warm winter greetings to all

Term 2 kicked off with gifts all around: A few of our mini- rugby boys had the opportunity to watch the Proteas play against Sri Lanka on the 16th of March. They thoroughly enjoyed themselves and we thank Department of Cultural Affairs and Sport (DCAS) for the opportunity awarded. A few of our learners also warmed our hearts by stretching out a helping hand by assisting the KSE Kraaifontein Community Centre for the Aged and Disabled with their annual bazaar. Our learners donated boxes for the delicious goodies they sold.

Term 2 also provided us to empower our 2019 Prefects. We thank Prof Jade Jansen, from the University of the Western Cape, for inspiring our leaders by encouraging them to be all they can be (top right) This opportunity was also used to empower our Head prefects (bottom right): Tintotenda Machafa, Kim Galeshewa, Motipashe Vhondo, and Steven Matingenga. We trust that our school will reached heights under your leadership.

Our Grade R group provided us with some much needed fun and entertainment during their annual Market Day. (bottom) We thank all who made the day possible, as our learners surely couldn't have had more fun.

As Scottville Primary, we believe that servitude is of the utmost importance, thus our educators jumped at the opportunity to cook breakfast for our learners... full tummies and happy hearts (above and right). We also continued our Anti Bullying campaign with a march around our school (left)
