

# SCOTTSVILLE PRIMARY NEWSLETTER TERM 4 2019 Part 1

Heartfelt season's greetings to our Scotties family

As the academic school year drew to a close, we used this opportunity to have our last bit of fun. Our grade 1's and 3's, respectively, had visits from The Two Oceans Aquarium and Meghan's Mobile Petting farm. They thoroughly enjoyed themselves as they were entertained by various puppets and pets (below).

We also had our second excursion to Farmyard, we learners and teachers alike could cool off and enjoy one another (right).

It is with grateful hearts that we say thank you to the athletes, parents and educators who sacrificed their personal time to make our Interhouse Athletics meeting successful. It was certainly one for the books (left).

Keeping with the spirit of Thanksgiving, we would like to take this opportunity to say thank you to Teacher Heather who has assisted our Grade 1's on a voluntary basis. Our little ones will surely miss your kind heartedness.

We extend our heartfelt thanks to Aydan Casling who has assisted our teachers and learners by volunteering as an assisted coach. We surely needed the extra pair of hands and are grateful to have had you alongside us.

We also bid farewell to our library assistant, Mrs Kearns. We are grateful for your diligence and servant heart towards our learners and will surely miss your friendliness. (below).

The saying goes... 'You cannot teach a hungry child' and because of the generosity from the Bellville Faith Tabernacle, we didn't have to as they provided our learners with break every Thursday. We also provided our learners with party packers during their final visit for the year. We are grateful for the ongoing support and kindness (below and right).

We also give thanks to IET from Paarl School who gifted our learners with new school shirts. Your kind gesture does not go unseen. top right).
